We go the extra mile for you

NSMB Restorations offers a multitude of motorcycle services...

...from full restorations of British Vintage and Classic Motorcycles to carrying out full servicing and sorting out the technical faults.

We recognise the needs, demands, expectations and desires of the motorcycle enthusiast to receive a quality, attention to detail, and value for money services.

Experience and Passion

Our workmanship is second to none, and our attention to detail is paramount. We personally source all parts required to complete the restoration and the re-build is carried out with dedication and passion.

From this...

...to this ►

Quality Workmanship

All our work comes with a 12-month workmanship and labour warranty, and you will benefit from our free technical support.

We pride ourselves on the quality of our workmanship and service and you will be kept up to date with your motorcycles restoration, by phone or email.

That way, we can ensure you are happy with the progress to date, and are aware of any areas outstanding. We feel this is the best way to guarantee you value for your money.

What NSMB will do for you

-  Full restoration projects will be personally collected and returned within the mainland UK
-  All our work receives a 50-point inspection, service and safety check before being returned
-  Full servicing and MOT preparation carried out on all machines
-  All work is guaranteed for 12 months
-  Free online technical support.
